MILESTONE

1941

GOVERNOR
DUMMER
ACADEMY

The Senior Class

presents . . .

The MILESTONE

of 1941

DEDICATION

For his loyal devotion to the interests of this school, for his untiring efforts to make our new building the complete success it is, we gratefully dedicate the Milestone of 1941

to

Mr. Walter H. Kilham

Mr. Walter H. Kilham

THE entrance hall and living room of the New Building, constructed as a result of the boys' campaign of 1940, were dedicated on Alumni Day, May 17. The dining hall, in use since 1936, was the result of

the original boys' campaign. Not shown on these pages are the new store and post office, the recreation rooms, offices, and facilities which will help to make the New Building a major center of school life.

The dining hall
is named the
WILLIAM JACOB ROOM
in memory of
William Beale Jacob,
from 1930 to 1938
an inspiring and
scholarly teacher,
an able and devoted
officer of this school

The entrance hall
is named the
CARROLL PERRY ROOM
in memory of the
Reverend Carroll Perry
brilliant preacher,
genial neighbor,
and good friend,
who served as a trustee
of the school
from 1931 to 1937

The living room
is named the
PHILIP COBB ROOM
in memory of
Philip Hacker Cobb
a teacher in this school
from 1933 to 1938,
a man who loved boys
and who in turn was
loved by them

The Football Season

Mr. Arthur W. Sager
Coach

In its second season under Head-Coach Arthur W. Sager, the Governor Dummer football team enjoyed a very successful season. Led by Captain Lee Whittles, the team won five games and lost but two.

The first practice disclosed strong backfield material, but few linemen. After working under Assistant Coaches Wickenden and Jennings, the line improved tremendously and as the season progressed showed itself superior to all opposing lines with the possible exception of one.

In the first contest, with the Bowdoin Junior Varsity at South Byfield, it was the superior line play of the Academy team that gained a 2-0 victory. The hard-charging forward wall and the kicking of Robert Pickett were features of the game.

On the following week the Governors defeated the M.I.T. Sophomores, 13-0, in another home game. The Governors were unable to develop a real offensive until the second half, when Pickett took a pass from Captain Whittles and ran fifty yards for the first touchdown. Late in the fourth quarter the Governors again drove deep into the visitors' territory. Pickett again bucked across the line and then kicked the extra point for the final tally. Captain Whittles' fine blocking was the high light of the game.

For their third game the Governors travelled to Kimball Union Academy at Meriden, New Hampshire, and were defeated, 21-7. The Red and White took the lead early in the first period by driving to the Kimball three-yard line on passes. From there Pickett bucked over and then kicked the extra point. Just before the half ended, Kimball Union took advantage of a fumble to drive across the line and tie the score. At the very beginning of the second half the Kimball team added another touchdown by running back the kickoff. The Governors threatened several times to tie the score again; but the absence of several injured regulars and first substitutes prevented needed replacements, and late in the game the home team drove back the tiring Governors to score a third touchdown.

In the fourth game of the season the Governors defeated Thayer Academy in a hard game at South Braintree, 14-6. The first score came after passes to Barr and Mortimer had brought the Governors to Thayer's five-yard line. There the home team held for downs; but their punt was blocked, and Barr recovered behind the goal line. Hard running by Pickett and Nichols brought the Governors another scoring opportunity in the third period, and a successful eighteen-yard pass, Whittles to Davison, completed the march. Pickett kicked both extra points.

At home on November 2 the Governors defeated Moses Brown, 7-0. The score

5 33
N B
1708

by no means indicates the superiority of the Red and White team, who outrushed the visitors 225 yards to 35. A heavy downpour and a sloppy field slowed down the Governors' offensive and prevented further scoring. The game with Tabor at Marion on the following week was another decisive victory for the Governors. Tabor scored first; and the Red and White trailed until near the end of the half. Inspired by Pickett's sixty-yard dash for the first score, the Governors then awoke and added three more touchdowns to make the final score 25-6.

Robert G. Jurgenson
Manager

In their final game, the annual contest at Deerfield, the Red and White were defeated, 7-6. For the second year in succession the margin of defeat was the point after touchdown. The Governors scored their touchdown in the first period and clearly outplayed Deerfield for three quarters. In the final period they noticeably weakened, particularly in the line, and Deerfield was able to score and to convert for the extra point.

Fine spirit characterized the squad throughout the season. Coach Sager complimented the team for it while awarding letters at the annual Christmas Dinner and praised also the able leadership provided by Captain Lee Kinkead Whittles. At the same time it was announced that Robert Pickett had been elected captain for 1941.

The Soccer Season

Mr. Howard J. Navins
Coach

Despite the bleak prospects at the beginning of the season, the 1940 soccer team turned in the best record since the game was introduced at Governor Dummer in 1936.

The Andover team were the visitors and the victors in the game that opened the season on Whipple Field, October 9. Handicapped by the absence of three injured regulars, the Governors nevertheless held Andover scoreless for three periods, only to weaken in the fourth and permit three invasions of their goal. A second defeat followed a week later by the Harvard Freshmen at Cambridge, 4-1.

On October 19 the Governors came back strong by conquering Kimball Union Academy, 3-0, in a brilliant home game marked by the finest team play of the season. David Jarvis scored for the Red and White with an expert head of a corner kick, and Paul Morgan and Humphrey Simson provided the other two scores with well-placed kicks. The game with the M.I.T. Freshmen was another victory for the superior Red and White eleven, Tom Collins, Paul Morgan, and Dave Jarvis scoring in that order to give the Governors a 3-0 lead. On October 31 the home eleven added an easy win over an inexperienced eleven from the Reading High School. Captain Dave Goodhart led in the 5-0 rout with a sensational kick that traveled half the length of the field to reach the cage.

At Exeter on November 6 the Governors met the Exeter players on a wet field and played an inspired game. There were but two substitutions during the four periods, the eleven regulars playing the Exeter team on even terms until half time. But in the third and again in the fourth period the home players slipped a score past the Governors' goalie.

Victories over Tabor and the Brooks School brought the Governors to the annual Deerfield game on November 15, which resulted in a 5-2 defeat. Deerfield scored twice before the game was ten minutes old; but thereafter play was nearly even. Dave Jarvis dribbled the length of the field in the second period and booted an accurate shot past the goalie for the Governors' first score and tallied again in the final period.

In the final game of the season the Governors held the whip hand over the Groton team for four periods.

The Hockey Season

Mr. J. Chandler Hill
Coach

Led by Captain Richard M. Wyman, coached by Mr. Hill and Mr. Murphy, and favored by better ice and a longer season than usual, the Governor Dummer hockey team was nevertheless unable to overcome the handicap of inexperience. Captain Wyman, Alex Murchie, David Goodhart, and Tom Collins were the only lettermen returning. With Gordon Johndroe and Guy Nichols they made up the starting six, a fairly formidable unit.

Henry Britcher, James Munro, and Richard Russell made up a second line; and Davenport Bowker, Arthur Wellman, and Herrick Randall made up the third. Because of their inexperience both lines often found it hard going against opposing teams. Clayton Currier and Michael Terry, the second defense, were making fair progress until illness caused Terry to drop out in mid-season.

The season opened at Browne and Nichols. After leading for two periods by virtue of Captain Wyman's tally, the Governors saw their lead erased by two quick goals just before the game ended. After losing to Exeter Junior Varsity, 5-1, the Red and White journeyed to Deerfield and held the powerful Deerfield team to an unimpressive 4-2 score, Bowker and Collins scoring to keep the Governors in the game.

On the following Saturday an equally powerful Belmont Hill team, scoring on two screened long shots in the third period, nosed out the Governors, 2-0. The next game, with Thayer, was very exciting. Tom Collins scored within the first minute of play; but a Thayer goal in the third necessitated an overtime period. Thayer scored with but ten seconds of the overtime left.

After losing to Milton and the Governor Dummer Alumni, the Governors met Thayer again, this time in the Boston Garden. Again Thayer won in the overtime period after overcoming a lead of two goals scored by Nichols and Wyman. A tie with Roxbury Latin and a defeat by the Brooks School made the Governors' final record nine defeats and one tie.

In his final report on the season, Mr. Hill said that no alibi was offered or needed. It happened that in a year when the Governors were somewhat less strong than usual, many of their regular opponents had better teams than usual.

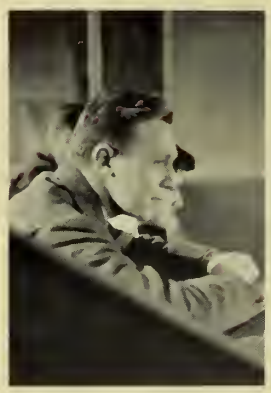
The Basketball Season



Mr. Howard J. Navins
Coach

Faced at the beginning of the season with a difficult schedule and with a squad including much green material, Coach Howard Navins brought his charges along so well that by the end of the season the Governors had a smooth-working unit on the floor which compiled a record of seven wins to five losses.

Led by Captain William C. Abbott, the Red and White opened the season in Lang Gymnasium on January 11 with a 32-31 victory over Beverly High School, the North Shore champions. The game was close throughout and was not decided until Beverly missed a foul shot after the final whistle. On the following Saturday the Governors completely outclassed Kimball Union and won by the score of 36-23. The Governors met their first defeat at Milton on January 22 and their second at Deerfield in the following game.

The Alumni game on February 1 brought back such former stars as John Koslowski, Don Mortimer, Bob Nutter, Mike Lawler and Russ Simons. The Nutter brothers and the Mortimers thus found themselves on opposing teams and set a furious pace. The Alumni assumed a large lead in the first half but were finally overtaken and beaten by the undergrads, 36-32. Last year's captain, Don Mortimer, was high scorer with nine points.

Dave Jarvis, a keyman throughout the year, rang up a total of eleven points to pace his teammates to an easy victory over Babson. In the Exeter game Bill Abbott's twelve and John Eshelman's ten points were not enough to avoid a 49-33 defeat. February 18 brought the game with Browne and Nichols, which was handily won by the Governors, 38-24. The Harvard freshmen easily conquered the Red and White on February 22, 47-21. A rather sloppy game brought a 26-20 victory over M.I.T.

On March 1 the Governors showed the best basketball of the season in defeating Tabor Academy, 34-15. The score at half time was 14-13, with twelve of Tabor's points credited to Crocker. In the second half, the visitors' star was held scoreless, and his teammates earned only two points while the Governors were rolling up nineteen. Bill Abbott scored fourteen points, the season's high. As an anticlimax, the Red and White lost their last encounter to Salem Teachers, 23-16.

The Wrestling Season

Mr. Daniel O. S. Jennings
Coach

Prospects were only mediocre for the 1941 wrestling team. With only Captain Ackerman, Norton Cushman, and Harold Knapp of last year's team available, most of the team had to be selected from new material. Luckily one, Bob Pickett, proved to be an experienced and talented wrestler; but the rest, particularly the four lighter classes, were entirely green.

Under the able coaching of Mr. Jennings the team gradually took shape. After earning a tie score in a practice meet with the Milton second team, the Governors won their first scheduled meet from the Roxbury Latin team, somewhat weaker than usual. Only one of the first four matches went to Roxbury, and in the four heavier classes the Governors were supreme, with Captain Ackerman, Norton Cushman, Harry Barr, and Bob Pickett earning falls in the 155-pound, 165-pound, 175-pound, and unlimited classes respectively.

In the Harvard Freshman meet the freshmen scored a clean sweep in the four lighter classes; but the Governors took three of the last four for thirteen points to the visitors twenty-three. After dropping a close match to Haverhill High School, the Governors distinguished themselves in the Exeter meet. Grosvenor Potter, who had been improving steadily, broke into the win column with a fall in the 128-pound class, and Harold Knapp also scored his first fall. Cushman, Ackerman, and Barr earned decisions, while Pickett won as usual by a fall.

The last meet of the season resulted in a defeat by the M.I.T. Freshmen at Cambridge. The inexperience of the Governors' entries in the lighter weights was more than usually apparent against the seasoned freshman wrestlers; and Captain Ackerman's absence was a further handicap, although Cy Savage, wrestling in the 155-pound class in the injured captain's place, made a fine showing. Cushman and Pickett, the two dependables, won by a decision and a fall respectively.

The improvement made by some of the lighter and less experienced wrestlers during the season makes prospects for next year much brighter. Jack Collins at 121 pounds, Grosvenor Potter at 128, and Dick Meriam at 135 came along rapidly toward the end of the season and should be capable performers next year.

Mr. Edward W. Eames
Coach

The four returning regulars of last year's team were supplemented with several capable new players at the start of this season. Joe Brady, Gordon Johndroe, Lee Whittles, and the leading batter of last season's team, Dave Jarvis, were the returning veterans. Other members of last year's squad who returned this year were Dick Wyman and Carl Greenwood. Promising new members of the squad were Ernie Bowler, Guy Nichols, Bob Pickett, Clay Currier, John Chapman, Les Stearns, and Jim Munro. Able players reporting from last year's second squad included Hank Skeele, Dick Williamson, and Paul Morgan. Favored with the best spring baseball weather in history, the team did not miss a day of practice before the opening game. As a result the squad was in the best condition of several seasons at the beginning of the twelve-game schedule.

The first game was with Groton School at Groton. With eight runs in the first three innings, the Governors took a commanding lead which they never relinquished. The masterly pitching of Ernie Bowler, who allowed five hits and struck out twelve batters in seven innings, was the feature of the game. Hard hitting by the whole team, especially by Bowler, Bob Pickett, and Gordon Johndroe, was also an important factor in the victory.

In the first home game of the season, the Governors won their second straight contest. The excellent pitching of Hank Skeele and Ernie Bowler was rewarded when the team rallied to tie and then win the game in the late innings. Guy Nichols, who again did a great job behind the bat, sparked the team's tying rally of two runs in the seventh, and Dave Jarvis squeezed home Clay Currier with the winning run in the eighth.

In the third game of the season at Milton the Governors defeated Milton in baseball for the first time. After allowing only five hits while fanning sixteen batters, Ernie Bowler won his own game with a tremendous triple in the tenth inning. Catcher Guy Nichols, who made twenty put-outs, was elected captain after the game.

The Governors conquered Noble and Greenough in their next contest when Dick Williamson singled home the winning run in the eleventh inning.

The Track Season

Mr. Arthur W. Sager
Coach

The track season began in midwinter this year. Since there was no official winter track squad until after the close of the hockey season, the meets scheduled for the winter squad were entered by a group of boys planning to report for the spring season. An exception was the Kimball-Union meet at Meriden early in the winter, for which a small group was trained in extra time after their other athletic assignments. The New Hampshire boys proved to have a definitely better team, winning 40-11. Bruce King and Pike Noyes amassed all the Governors' points: King placed first in the high jump, second in the hurdles, and third in the 600-yard run; and Noyes gained thirds in the shot-put and in the 100-yard dash.

A more efficiently organized squad entered the interscholastics at M.I.T. Bruce King was the only point-winner for the Governors, totalling three and one-third points by taking third place in the hurdles and tying with two others for a fifth in the high jump.

Browne and Nichols defeated the Governors, 35-28, in the other winter meet, but the Red and White made a much better showing than in earlier meets. Tom Collins contributed to the greater score by winning a first in the 300-yard dash.

The spring track season opened with a dual meet with the M.I.T. Freshmen. Captain Bruce King contributed a first in the hurdles, and Lester Ackerman tied for first in the pole vault, reaching ten feet for the first time in his career. Harold Knapp was another point-winner with a second in the mile.

In the Deerfield meet on May 3 Captain Bruce King again set the pace for the Governors with a total of twelve points. Despite the rather one-sided defeat, the result was encouraging in that Knapp won the mile in 4:57, his best time to date; Harry Barr stepped out to take a first in the 440, and Ackerman bettered his mark of the preceding meet and took an undisputed first in the pole vault.

At Durham the Governors earned 12⅝ points for a fourth place in the interscholastics. Feinberg and Barrows won seconds in the hammer and discus, and Ackerman tied for second in the pole vault. Barr and King took thirds in the javelin and in the hurdles, and Captain King also tied for fourth in the high jump.

The Lacrosse Season

Mr. A. Macdonald Murphy
Coach

Only in the last few years has laerosse become a major sport in the East. In its early stages it was played by the American Indians, whose goals were several miles apart, and whole tribes played on one team. At that time it was a rather lethal affair, in which an unsuspeeting player might be ambushed by ten or fifteen men of the opposing team. The game first became popular in eolleges in the South and, owing to its conduciveness to good sportsmanship and hard play, has lately been widely taken up by eastern schools and colleges. Despite its being a comparatively new sport at Governor Dummer, it managed to draw a larger group of students this year than any other spring sport.

Thirty boys turned out for the first spring practice, which was held in the lot behind the Cottage because of the wet turf on Whipple Field. Of the thirty boys on the squad only five were last year's lettermen. However, lacrosse is a sport that becomes a passion. To a lacrosse player there is no other game like his. This enthusiasm, plus the very able coaching of Mr. Murphy, Mr. Jennings, and Mr. Hawkes, is probably the reason that a very promising team began to develop from a comparatively green squad. Captain Eshelman was the spearhead of the attack, and it was through his steady and aggressive play that many goals were scored by the Governors. David Goodhart was the reason that fewer goals were scored against the Governors and is, without doubt, one of the best goalies in New England schools.

Randolph Morris and Feaster Newton, the outstanding defense men on the team, aptly held the Boston Lacrosse Club at bay on April 26. However, the Governors were unable to score the necessary goals and were defeated four to three by this team.

Although the next game of the season was a erushing defeat at the hands of an excellent Exeter team, it served to show many weaknesses that could be corrected in the fortheoming games.

An exceptionally fine goalie made many speetaeular saves for the Harvard Freshmen at Cambridge and cost the Governors a 3-1 defeat in their next game; but in the Thornton game their attack could not be denied and they rolled up an 8-1 lead despite the rain-drenched and muddy field on which the game was played.

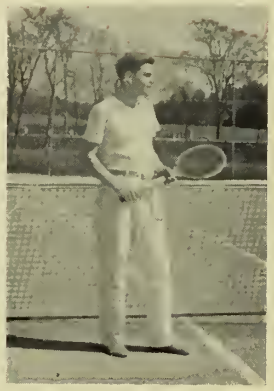
The Tennis Season



Mr. Benjamin J. Stone
Coach

A large group of boys desired to play tennis this year; but since there are only two courts, only thirteen boys were allowed to adopt this sport for their spring activity.

Coach Stone and his players were exceedingly fortunate this spring in having the courts fit to play on by April 20. However, even with this early start the positions on the team were not at all definite after the first match, since the only two lettermen returning to this year's team were Captain Cushing Strout and Jim Monroe, who played number three position in the first match.

Although this year's squad boasts no outstanding tennis star, Coach Stone believes that on the whole the team is better than in past years, because with the tight competition for places, the team will be very well balanced.

In the first match of the season the Governors met Browne and Nichols, an opponent of long standing. Browne and Nichols won the match 3 to 1, but it must be realized that this was the first match. Captain Strout, playing number two, won handily over Smith, 6-3, 6-0, to start the Governor's off on the right foot; but Humphrey Simson, playing in first place, lost to Captain Mather of Browne and Nichols, 6-1, 6-2; and Jim Monroe lost to Boerstler, 4-6, 7-5, 8-6, in a very close match. It is of interest to note that Jim played this same man last year and the match was ended by rain after each had won a set. In the doubles Captain Strout teamed with Simson and lost to Mather and Smith, 4-6, 6-2, 6-4. The second doubles was not completed because of the late hour and also because the outcome could not change the final score.

On May 5 the Governors' line-up was shifted and Cush Strout moved up to the number one spot and Humphrey Simson played two.

In the match with Haverhill High School the Governors' only point was won by Ed Flynn and Julio Ortega, who took the second doubles, 6-2, 6-3. Against Thayer the situation was reversed, the Governors taking all but one singles to score their first victory, 4-1. Humphrey Simson, Captain Strout, and William Kirkpatrick played one, two, and three, respectively. Strout and Simson composed one doubles team, and Flynn and Ortega the other.

The Golf Season

Mr. Thomas McC. Mercer
Coach

The Governor Dummer golf team under the tutelage of Mr. Mercer opened its season on Saturday, April 26, against Exeter and Andover in a triangular meet on the Ould Newbury links, the first of three such matches to be played. Led by Captain Art Wellman, the Governors placed second, Andover winning. The low scorer for the home team was Herrick Randall with an 88, which compared favorably with Exeter's low score of the day of 84. Phil Damon, Captain Wellman, Barr Smith, Lew Harrower, and Jack Wellman finished in that order. For the first match of the season, the team did very well.

The following Saturday, May 3, the team journeyed to Exeter for the second triangular meet. This time the team placed third. Again the low score for the Red and White was an 84, with Damon pacing the Governors. The low score of the day was Exeter's 75. The team as a whole played much better than in the previous match, but not used to the fast greens on the Exeter course, the boys were unable to get off to a good start on the early holes.

The Phillips Exeter team acted as hosts in the third triangular match on May 10 and easily won the honors of the day, the Governors tying with the Andover team for second place. Captain Wellman was low scorer for the Governors in the final match. Lewis Harrower made a slow start but recovered to win low score of his threesome in the second nine. Alex Murchie, a veteran of last year, displaced Jack Wellman in the final match.

At the dinner at the Exeter Inn which followed the match the cup for the low team score in the three meetings was awarded to the Exeter team and the cup for the low individual gross medal score to an Exeter golfer. The host at each meeting is also host at dinner afterwards; next year it will be the Governors' turn to be host at the final meeting and at the final dinner when the cups are awarded.

Matches with the Ould Newbury Club, with the M.I.T. Freshmen, and with the North High School of Worcester remain to be played in the current season. The experience gained in the three triangular meets should give the Governors a fair chance to gain some victories in the dual matches.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of Phi Beta Kappa in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record in the earlier years of his secondary school work, his diligence, particular aptitudes or deficiencies, and the nature and the number of the courses on which his average is based.

This year the largest group in the history of the chapter was initiated at the annual ceremony on May 9. Dr. Henry Phillips, Jr., of the faculty of Phillips Exeter, was the guest speaker. He used the Greek motto of the society as a point of beginning and then showed what the ideas represented by those words had meant in the life and literature of ancient Greece. Mr. James Duncan Phillips delivered the charge to the new members.

The Glee Club

There seemed to be more than the usual interest in the Glee Club this year at Governor Dummer. Early in October when Mr. Sager announced the annual try-outs for the organization, he found that a greater number of boys were eager for admission than in past years.

The first concert was given in Lowell at the Rogers Hall School for Girls. Mr. Sager was pleased with this primary showing, but felt that the club could spend more time rehearsing the religious numbers. Possibly the most successful appearance of the season was in the Belmont High School auditorium, where the club gave a concert for the benefit of the Adelphic Society of the All Saints Church. The two Gilbert and Sullivan pieces, which we had the pleasure of doing with the Fidelio Society of Abbot Academy, were the high lights of the program in Andover. The members of the Glee Club enjoyed the joint concerts with Walnut Hill, House in the Pines, and Stoneleigh, partly because of the excellent singing of the girls and partly because of the dances held in connection with each concert.

This year probably the two outstanding voices in the Glee Club were those of Gordon Johndroe, whose fine range enabled him to do the tenor solo in the *Cossack's Song* as well as the baritone part in *Go Down, Moses*, and John Kangis, who sang the tenor solo in *Listen to the Lambs*. In speaking of soloists, one must not overlook the excellent singing of Nicholas Lampes of the Class of 1940, who was the guest artist at the concert in Belmont.

It will be some time before the boys in the Glee Club forget any of these concerts. It will be some years before they forget those lost shirt studs, Mr. Wickenden's deft fingers tying an unlimited number of bow ties, futile attempts to stand on the edge of the platform, Mr. Stone's last note in *Casey Jones*, or Mr. Sager's little remarks after each selection; they will remember small things like tight collars and high notes.

The Archon

Leader—the Greeks had a name for it, *Archon;* and *The Archon* is the name of the school news-magazine issued monthly to students of Governor Dummer and their parents and friends.

The Archon is a useful tradition at the Academy, not a mere by-product of school industry. Its purpose is threefold. Not only is it an attractive, concise calendar of the more noteworthy events of school life; it also performs the service of providing the alumni a link with the school. "Alumni Notes," an informal feature of each issue, supplies interesting information about the activities of former members of the student body. And finally, because of its attractive and distinguished make-up and its informative contents, Mr. Eames has elected to use *The Archon* as the sole catalog of the school. A special issue made up of reprints of articles and pictures from the regular numbers is published each summer; and several thousand copies are needed for office use and to supply the demands of alumni and friends.

In the pages of the regular issues one can find interesting material on almost all phases of school life, frequently illustrated with appropriate photographs. The important athletic events of the year are described with the necessary statistics and commentary. Also included are concise summaries of the weekly Sunday vespers addresses, accounts of school projects, and random notes on interesting meetings, trips, and other occasions. Every issue contains a helpful editorial by a member of the staff, and there are frequent feature articles.

Notable feature articles of the current year have been those by William Davison, the English Exchange Student, concerning his impressions of schools and customs here and abroad; by Mr. Harold M. Curtiss on the amazing folklore and ghost stories connected with the older academy buildings; and by Mr. James Duncan Phillips on the will of Lieutenant Governor William Dummer.

Many boys have contributed to the success of *The Archon* during the current year, and it is impossible to acknowledge here the contribution made by each. David T. Goodhart's work in the editorial department should be mentioned, however; and that of George Leach and Eugene Gardner in the photographic department. Mr. Harold M. Curtiss of the faculty has ably supervised the work of the staff and has provided inspiring leadership.

MUSIC PRIZE — Nicholas James Lampes

Presented annually by Mr. Rupert Neily of Portland, Maine, to a boy because of his understanding and enjoyment of music.

WASHINGTON AND FRANKLIN MEDAL — Edward Whitley

Presented by the Massachusetts Society of the Sons of the American Revolution for excellence in United States History.

THE GOODWIN ATHLETIC PRIZE — Robert Webster Nutter

Presented by Mr. Fred H. Goodwin of the Class of 1916 for the best all-round athletic record of the year.

DALTON HAMOR PRIZE — Stanley Elwin Whiting

Presented by the Class of 1921 for the best record in baseball.

TRACK PRIZE — Alfred Hutchinson

Presented by Mr. Charles I. Somerby of the Class of 1912 to the member of the track team who has made the best record in track and field events.

SPECIAL PRIZES

Awarded through the generosity of Mr. Milton Dodge of Newburyport.

To John David Eshelman of Lancaster, Pennsylvania, for his loyalty and industry, and especially for his earnestness.

To Andrew Case Bailey of Needham for his dry wit, his hard work, and his ability to play hockey.

To David Franklin Gearhart of Palmerton, Pennsylvania, for his good scholarship and his success in a number of athletic and school activities.

To Donald Watson Mortimer of Bronxville, New York, one of the real leaders of the student body.

To Edward Beatson Mulcahy of Monson for his all-round athletic record, his unselfishness, his good sportsmanship, and because "he knows how to take it."

To Francis Hamilton Farnum, of Augusta, Maine, one of the finest boys in school.

To Robert Jewett Lyle of Buffalo, New York, the best kind of a leader in a wide variety of school activities.

To Roger Kimball Eastman of Salem for his even disposition and his warm-hearted friendliness.

To William Herbert Torrey of Babylon, New York, because of his contagious enthusiasm and good spirits, and because of his industry, both in class work and in managerial work.

To John Leviseur Newman of Beverly, hard-working, efficient, and inspiring chairman of the Boys' Campaign Committee, whose enthusiasm and courage converted boys, masters, and trustees to the successful efforts to raise funds to complete the new building.

Acknowledgments

Every year there are friends of the MILESTONE who, although not definitely connected with the staff, yet make generous contributions to the success of the book. We wish particularly to acknowledge our indebtedness to

Mr. Bradford Bachrach for the photographs of the interior of the New Building,
Mrs. Jane M. Gale for help in our accounting,
Mrs. Edgar D. Dunning for hours of proofreading,
Mr. Joseph Snyder for securing the majority of the advertisements,
Mr. Harold Johnson of the Andover Press for relieving us of our worries,
The patrons of the MILESTONE dance for pecuniary support,
And our advertisers for making this book possible.

Compliments of Friends

Every year there are a number of advertisers in the MILESTONE who prefer to remain anonymous. This year the space on the advertising pages contracted for by those anonymous friends is to be used for a summary of the second-team games and minor-sports events not otherwise included in the yearbook. The editors are deeply grateful to the advertisers who have made it possible to represent those often-overlooked activities in the MILESTONE.

BOSTON: NEWBURY COR. BERKELEY STREET

Minor Sports Diary

Again the MILESTONE is indebted to the generosity of anonymous advertisers for the opportunity to present an account of the second-team sports which can not be included in the regular sports pages, but which nevertheless constitute an important part of the sports program at Governor Dummer and which annually provide training and experience for boys who later make their contribution to the school teams.

Besides the regular school team in football, Governor Dummer is represented each year by two other football teams playing regular schedules and composed of lighter or less experienced players than those competing for places on the school team. The "A Squad" coached by Mr. J. Chandler Hill was led this year by able Captain Wilbur Webster. The "B Squad" under the tutelage of Mr. Harold M. Curtiss plays both eleven-man and six-man football. It was captained this year by Harold Knapp. In diary form the two schedules are summarized below:

October 4: The inexperienced A Squad dropped its opening game to Hampton Academy, 13-0. Failure to make their plays click cost the Governors the decision.

October 9: At Andover the B Squad played a six-man game with the Andover All-Club team. Actually the Governors faced a completely new and different team in each quarter and lost the game, 18-7. Brent Kuhnle scored the Governors' only touchdown, and Harold Leinbach excelled on the defense.

October 12: The A Squad suffered its second defeat at the hands of a very strong Andover Reserves team. Sweeping end runs brought Andover two touchdowns and the victory, 12-0. Nevertheless the Governors gave a convincing demonstration of improvement over the preceding week.

October 18: In its third game the A Squad showed real power by handing the Amesbury Freshmen their only beating of the season. Gordon Piric scored the only touchdown and kicked the extra point to make the final score 7-0 for the Governors.

October 22: In its first game of eleven-man football the B Squad was defeated by the Ipswich Freshmen, 14-0. Ipswich fielded a bigger and obviously more experienced team, but Brent Kuhnle's backing up of the line and also Harold

Leinbach's defensive work at end held the visitors to two touchdowns.

October 24: Gordon Pirie's passing and Captain Wilbur Webster's defensive play featured the A Squad's 6-0 victory over the Haverhill freshmen. John Kangis scored the Governors' winning touchdown.

October 29: The Brooks School team handed the B Squad a 19-0 defeat in eleven-man football.

November 6: In a game marked by lost opportunities and very ragged play on the part of the Governors, the Newburyport freshmen scored a 25-0 victory over the A Squad. Missed assignments contributed largely to the home team's downfall.

November 12: To make up for its slump of the preceding week, the A Squad turned in a notable performance in beating Bridgton Academy 25-0. The Governors' plays ran like clockwork and several individuals played stellar football. David Goodwin at end, Tannebring on defense, and Pirie and Webster for their passing deserve particular mention. Unfortunately Captain Webster received an injury during the last period which incapacitated him for the remaining game of the season. Flynn scored two touchdowns.

Boston, Mass.

November 14: The B Squad received a 19-0 defeat from the eleven-man team of the Exeter Lightweights.

November 20: The A Squad's last game resulted in a scoreless tie with the Amesbury freshmen. Despite their failure to break the deadlock, the Governors played their best football of the season.

November 21: A very light Nahant freshman team provided only slight opposition in the B Squad's last game. Mr. Curtiss was able to use his lightest and least experienced players and still win by the overwhelming score of 63-21. It was a six-man game.

WHOLE SCHOOL COMPETES IN VOLLEYBALL LEAGUE

The annual volleyball competition got off to an early start this year, beginning immediately after the close of the football season and continuing until the Christmas recess. Everyone, regardless of size or ability, was assigned to one of the ten competing teams; and the longer season allowed time for everyone to improve his game.

Instead of dividing the school into Glee Club and non-Glee Club teams as was done last year, the league officials this year included representatives of both groups in each team of each league.

The winner of the steak and pie-a-la-mode dinner was Mr. Navins' Minnesota team, who lost only one game during the twelve-game schedule. Mr. Hill's Yale team placed second and Mr. Sager's Ohio Staters, third.

Members of the winning team were Herriek Randall, Clayton Currier, Richard Williamson, Paul Morgan, Joseph Oates, Davenport Bowker, Richard Rowe, and Albert Wyer.

FORTY-FIVE BOYS COMPETE IN BASKETBALL LEAGUE

This year, as part of the winter sports program, forty-five boys participated in a basketball league under the leadership of Mr. Harold Curtiss and Mr. Benjamin Stone. The league was composed of six teams with seven or eight players each. These teams were divided into two groups, one coached by Mr. Stone and one by Mr. Curtiss. Two days each week were devoted to scheduled games and three to practice. (See page 125)

The promise of a trip to Boston for a dinner and a movie provided extra incentive in the competition; and the race was close all the way. The final game was played as a preliminary to the varsity game with Salem Teachers College, with the Hermits, captained by Randy Morris, finally nosing out the Jesters, led by Dick Rowe. The closeness of the play and the power of the defense is indicated by the final score, 11-9.

The members of the winning club were Captain Morris, Tom Fenn, Benjamin Mann, James Monroe, Bill Kirkpatrick, Carl Greenwood, and Anthony Reddy. Ernest Bowler, with 113 points in fourteen games, led the league in scoring. He was followed by Greenwood with 83 and Louis des Cognets with 79.

JUNIOR HOCKEY TEAM WINS FOUR GAMES IN FOUR DAYS

The B Squad hockey team this year enjoyed a successful season under the capable coaching of Mr. Frederic Stott and Mr. Richard Wiekenden, winning five games, losing two, and tying one.

In a four-game series with the Brooks School B Squad, the Governors won the cup offered by Brooks. The two teams split the first two games, Brooks winning the first by a score of two to one and the Governors taking the second three to one. When the following game ended in a tie, Captain Paul Titus scored the only goal in the deciding fourth game.

The other defeat suffered by the Governors was administered by Fessenden in a hard-fought game which the Governors contested to the very end.

Six stars distinguished themselves during the season. They were Captain Paul Titus, who scored eight of his team's total of fourteen; Ralph Brown, Arthur Fiorini, and John Whitney on the attack; Howard Hill, who played almost the entire schedule without relief; and Dana Pierce in the goal.

The great accomplishment of the season consisted in winning four games on four consecutive days. Two of the games were with the Newburyport Rookies, one was with Brooks, and one with Emerson.
